

Whaleback Nordic Ski Club

Whaleback Times

Hello again...a rainy, foggy day on Thursday. New snow expected over the weekend...Yahoo!

Thank You to...

Gerard Bennett for taking action to ensure the blue couch and chair(which was in the way) was removed from chalet.

Mark Young for assisting Diane Hanratty rescue a Jack Rabbit from the bottom of the Saddle Back last Sunday.

Les Budden for taking some great shots of the Provincial Masters last weekend.

Aiden Mahoney for filling in for Diane and taking photos last Sunday.

Diane Hanratty and Bessie Jesso for replacing the wore out jacket with warm blankets in the rescue sleigh.

Greg Alexander for following up with the company we purchased the grease gun, battery and battery charger...it wasn't working properly and was covered under warranty. Brian Dunphy is returning it to Corner Brook and picking up a new one.

Also, a thank you to Brian Dunphy for dropping in to the Tin Man and picking up a new door handle for the wood stove. Anyone who recently put wood in the stove, is aware what I'm talking about.

The Very Best to...

Bruce Legrow and Dave King who will be participating in the World Masters from Feb. 4-13 in Finland. We wish them the best...I'm sure they'll hear lots of cow bells!

John (the speedster) St. Choix who will be participating in the Eastern Championships in Cantley, Quebec this weekend.

Did you know?

Thus far, this year we have spent \$670.00 on groomer fuel.
