

Whaleback Nordic Ski Club

Whaleback Times

A few items to share prior to the weekend:

Provincial Masters

Everything falling in place for the weekend...even more snow Friday night! Bruce was saying that registration for the races is climbing...lots of interest from Whalebackers, Labrador, Corner Brook, Gander and Grand Falls - Windsor. Good to see. Late registration is accepted Saturday and Sunday mornings. If you want to ski by me either day, just say something like "...would you mind moving out of the way." I'll get the message.

AED Training - Friday morning

A big thank you to Diane Hanratty who organized a 2 hour training session, Friday from 9:00AM - 11:00AM. Nice to see executive and chalet volunteers being brought up to speed on AED. Presenter is Nolan Braggett. Early morning skiers should note that the session is taking place in the chalet...not saying that you should avoid the chalet when skiing but be aware that Nolan is conducting a training session as you prepare to head out on the trails.

EMERA Sponsorship

Did you hear the news??? EMERA NL is again sponsoring Whaleback Nordic Ski Club for \$2500.00. This is the third consecutive year that EMERA has sponsored our club...a total of \$7500.00 over that time period. This money will be used to keep our BR 250 purring like a kitten, ensuring our trails are top notch.

Going to the Nationals...

Yes, that's correct, because of his superb performance last week (and his constant training) John St. Choix has been chosen to attend the Nationals in Whitehorse. A big achievement indeed. A credit to Brian Dunphy who passed on so much information to John. Everyone is so proud.

Marathon Package

The Colemans, 46th Marathon Package is available on our website. Click on the 2016 Season tab and you'll find it. If your wondering about the trail, click on the Virtual Tour and go for a virtual ski. Revisions to the tour will be added very soon.
